

## **PRE-NURSING DAY CAMP OPPORTUNITY**

We are excited to announce that Duncan Regional Hospital is hosting a Pre-Nursing Day Camp on Friday, January 24, 2020 at the DRH Learning Center. This event will be held from 8:15 a.m. to 2:45 p.m. and will be for students interested in pursuing a career in Nursing. This is a first-time event and only a select number of students will be accepted due to space requirements. Because of this, we have set criteria for attendance. This event will be FREE of charge and a boxed lunch will be provided.

To be eligible to attend, the student must meet the following requirements:

1. Must be in good standing on their school eligibility so said school will grant the student an excused absence to attend the program.
2. Must hold a current Grade Point Average of 2.50 or higher.
3. Must secure and turn in a letter of recommendation from a teacher or instructor.
4. Must be at least 15 years of age by Jan. 24 and be a sophomore, junior or senior.
5. Must be able to provide their own transportation to and from the event.
6. Must have an interest in learning about a career in nursing.
7. Must complete the application and turn it in (along with a letter of reference as noted above) to the Information Desk at Duncan Regional Hospital by the deadline of Monday, January 6th at 4:00 p.m.

The completed application may also be mailed to: Duncan Regional Hospital, Attn: Betty Beck, P O Box 2000, Duncan, OK. 73534 or emailed to 580-251-8577.

Applications may be completed in paper form or online at [www.duncanregional.com](http://www.duncanregional.com). The application may be found by selecting Careers.

A tentative agenda is attached to the application packet. As you can see, we will be covering a lot of information in addition to viewing a live knee surgery via remote camera. We will also have four different learning stations utilizing our Learning Center and our new "State of the Art" simulation mannequins.
