

COVID-19 Testing:

Seek emergency medical care at the ER if you have

- ▶ *Labored breathing*
- ▶ *Persistent chest pain or pressure*
- ▶ *New confusion*
- ▶ *Bluish lips or face*
- ▶ *Inability to wake or stay awake*

Call your healthcare provider for guidance if you have

- ▶ *Shortness of breath*
- ▶ *Recently lost your sense of taste or smell*
- ▶ *Fever*
- ▶ *Cough*

If you have no symptoms but think you have been exposed or you have mild symptoms and do not wish to see a physician or provider,
free testing is available at the County Health Department.

In order to expedite your visit, call before you arrive to complete registration.
